Acuity:

- ▶ Acuity is a patient self scheduling tool
- ▶ This tool allows you to:
 - ▶ Set agency start and end times; lunch times
 - ▶ Determine how many slots are available
 - ▶ Create different calendars for different programs
 - ▶ Create various forms that the client needs to complete
 - ▶ Send out reminders
- ▶ Acuity is owned by SquareSpace
- ▶ Let's pop into Acuity and Nightingale Notes to take a quick look

Acuity – Want to move forward?
